Photography Contract

Spring Hills Farm is happy to share the land with you and welcome you to conduct a photo shoot on the following dates:

We work hard to keep the land maintained and accessible and ask you to contribute \$25 - \$50 towards this. Checks can be made out to Spring Hills Farm or you can request an electronic invoice where you can pay by Venmo, credit card or PayPal.

While you are on the property, please introduce yourself if you see a resident. Unless otherwise stated, you will not be able to enter any of the houses. It is important to also understand that you cannot ask for anything to change on the land (for example, if a tractor is in the fields working). You are **not** to drive anywhere except on the main Pond House driveway or the designated parking areas. A map is provided in this contract. The red crossed out 'road' is only a walking path. The red squares mark current parking areas. There is no restriction on walking to any of the fields. You may visit and photograph any of the animals but be aware that most of our fencing is electric. If you wish to take photos around the Pond House area, please be sure to get approval beforehand, as we may have guests staying in The Pond House.

Your signature below acknowledges that Spring Hills Farm is not liable for any property or personal damage while on the land.
